ABOUT US

A Legacy of Excellence

Established Reputation

Elite Edge Consulting has built a trusted name in financial services, combining years of experience with modern approaches to accounting and strategic business advisory.

Client-Focused Solutions

We offer personalized financial strategies tailored to individual clients and companies, ensuring accuracy, transparency, and long-term financial success.

OUR MISSION AND VISION

Guided by Purpose

Empowering Financial Growth

We aim to support businesses and entrepreneurs in navigating complex financial landscapes through precise accounting, compliance, and growth-oriented financial strategies.

Upholding Integrity

Every service we provide is rooted in transparency, trust, and ethical practices, building long-lasting relationships with our clients and partners.

Driving Innovation

Our team leverages modern tools and technologies to deliver smart, efficient, and forward-thinking financial solutions that evolve with our clients' needs.

What We Offer

Financial Reporting & Bookkeeping

We maintain precise financial records, bank reconciliations, and asset registers to provide clear, actionable financial statements that guide your strategic decision-making.

Corporate Secretarial & Registration

We register and manage your relationship with PACRA, ensuring your company remains legally active through diligent annual returns, accurate director records, and necessary licensing.

Tax Advisory & Revenue Compliance

We support businesses in staying fully compliant with Zambian regulatory requirements ; ZRA, NAPSA ,NHIMA and workers compensation

Labour & HR Compliance

We ensure businesses comply with the Employment Code Act through proper employment contracts, payroll systems, leave management and adherence to labour regulations.
